

"HEDDA GABLER" . . . Bill Bloomingdale, as George Tesman, looks at the manuscript of *Thea Elvsted*, played by Kathy Hooker of Torrance, in a scene from Harbor College's production of the Ibsen drama. "Hedda Gabler" will continue through tomorrow evening, 8:30 p.m., at the Starboard Theater on campus.

Garden Checklist

1. This is just about your last chance to select a living Christmas tree. Keep it tubbed for the holiday season, then later if you prefer, transplant it. Do not keep indoors too long.
2. Make your first planting of gladiolus as soon as they show up in nurseries. Some are already there, waiting for you to take home and plant.
3. Plant roses and all other deciduous trees and shrubs now.
4. Grapes may be pruned any time now. Be sure you know what you want the vine to do before you start. Ask any nurseryman if you're not sure.
5. Plant the bright florist's Cyclamen in sheltered outdoor gardens or in a light and airy sun porch. They bloom all winter.

For your contribution to Christmas Seals in their fight against TB and other respiratory diseases . . . and for the time and effort you so generously gave,

Thanks for the Gift of Good Health—From Your TB Association
